Tomorrow, we will issue the standard monthly press release on crime rates year to date. The crime stats show a continuing slight increase in violent crime over 2015 and a slight decrease in property crime.

Usually, we have a quote from Amy Weirich as chair of Operation: Safe Community. However, given the focus on violent crime - especially homicides - it might be better to have a quote from you IF you want it. Let me know if you would like to do that, and, if so, I'll get the draft press release to Kyle no later than 9 a.m.
